

English entrance test

Target group:

Students age 21 and older that do not meet the requirements of the HBO Bachelor

Service:

Test in order to be allowed to start with a HBO Bachelor

Procedure:

The content and length of the test can vary per education. We would firstly need to know what education you are interested in, in order for us to indicate what the test will consist of.

You will receive an invitation to participate in the written part of the test. During this part you will fill out certain tests that provide necessary information regarding your abilities. The English entrance test is best suited for native English speakers and requires fluent mastery of the English language.

Results:

The results and conclusions will be corresponded to you in writing via e-mail.
